

1. The body (1) needs to be cut out 2 times with seam allowance, as much as you need. Any soft fabric.
You need to cut the wings out 4 times with seam allowance.

2. The other parts of the duck have to be cut out of felt with no seam allowance.

Eyes(3) 2 x
Flower(4) 1x
Flowerpart(5) 1x
Feet(6) 4x
beak(7) 2x

3. Glue 2 feet together and sew the pattern on them. Do the same for the other feet.

4. Put the right sides of the wings together. Sew them, but leave the bottom part open. Turn them inside out. Put some stuffing in them.

5. Put the right sides of the body together, put the wings in between, with the wings pointing inside the body. Sew the body, but leave a big hole in the bottom at the marks. Trim the seam allowance. Turn the body inside out. Put stuffing in the head.

6. Sew in the legs by hand. Put stuffing in the body and close it.

7. Put the beak fabric together and sew on the pattern. Sew it on the head.

8. Sew or glue on the eyes and flower.

9. You can add little freckles and with eye spots with little felt rounds or use a french knot stitch with embroidery thread.
